Congresswoman Matsui Celebrates Independence Day
Honors Those Who Protect Our Freedom

WASHINGTON, D.C. – Today, Congresswoman Doris Matsui (CA–05) recognized the importance of Independence Day by releasing the following statement:

“Each Fourth of July, we celebrate the history and heritage of the American people by commemorating the Declaration of Independence. This Sunday, I hope you also take time to appreciate the commitment of those men and women who continue to protect our freedom at home and abroad. As we celebrate this Independence Day with family and friends, may we also honor those who are apart from theirs, and do our part to ensure everyone has a safe holiday.”
