### **Congresswoman Doris Matsui Launches New Website, Twitter Page**

**SACRAMENTO, CA** – Today, Congresswoman Doris Matsui (D-Sacramento) announced the launch of a new, improved website at [matsui.house.gov](http://matsui.house.gov). Features of the new site include: social media buttons incorporated throughout for increased interaction; a “How can I help you?” constituent services box on the front page; a new blog where the Congresswoman will comment on current issues and events, in addition to resources about legislation she has introduced and issues that she is working on.

Along with the launch of the new website, the Congresswoman has joined the Twitter community at [twitter.com/dorismatsui](https://twitter.com/dorismatsui). This is in addition to her current pages on [Facebook](#), [YouTube](#), and [Flickr](#).

“As Sacramento’s representative in Congress, nothing is more important than communicating with, listening to, and helping my constituents,” said Congresswoman Matsui. “It is my hope that this new website will lend itself to improved constituent service and representation of the issues important to us in Sacramento.”

“Moreover, these social media tools are intended to help my constituents communicate with me with ease, whether I am at work in Sacramento or the U.S. Capitol,” added the Congresswoman.
