Rep. Doris Matsui Welcomes Labor Secretary Hilda Solis to Sacramento

Looks forward to a strong partnership between Solis and local labor community

Washington, D.C. – Congresswoman Doris Matsui (CA – 05) issued the following statement in response to U.S. Secretary of Labor Hilda Solis' visit to Sacramento today:

“I am pleased that my good friend and former colleague, Secretary Hilda Solis, is visiting Sacramento today, and welcome her to our city. Sacramento is one of the first cities Secretary Solis will be visiting since she was sworn-in last week, and I am confident that after visiting a local One-Stop Career Center and speaking with the staff and trainees there, she will see what a valuable service they provide to the people of Sacramento.

“In a challenging economy, and at a time when Sacramento has over a 10% unemployment rate, I am encouraged by Secretary Solis' commitment to labor and investing in worker training. Now more than ever job training programs operated at the local level with federal funding are key to our economic recovery. Secretary Solis' commitment to America's working families is second to none, and I look forward to a strong partnership between her and Sacramento's labor community in the years to come.”
