U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Net Zero Mobility Hub Expansion Project in fiscal year 2024. The entity to receive funding for this project is the Sierra Health Foundation Center for Health Program Management, located at 1321 Garden Hwy, Sacramento, CA 95833. The funding would be used to build expand Net Zero Mobility Hubs in South Sacramento to improve the health and economic well being of residents in disinvested communities by providing essential transportation to work, school and medical appointments, and create apprenticeship programs for at risk youth. The project is an appropriate use of taxpayer funds because will convert arias of blight to be centers of community and economic engagement.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui  
Member of Congress
