U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Capital Public Radio Relocation project in fiscal year 2024. The entity to receive funding for this project is Capital Public Radio, Inc., located at 7055 Folsom Blvd, Sacramento, CA 95826. The funding would be used for the acquisition, construction, reconstruction, or installation of a public broadcasting facility and other improvements. The project is an appropriate use of taxpayer funds because Capital Public Radio provides a critical public service for free to all including updating the public during ongoing emergencies. Expanding the broadcast capabilities of Capital Public Radio will increase this public benefit.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui  
Member of Congress
