The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clarksburg Branch Line Trail Project in fiscal year 2027. The entity to receive funding for this project is the City of West Sacramento, located at 1110 West Capitol Avenue, West Sacramento, CA 95691. The funding would be used for the construction of trails. The project is an appropriate use of taxpayer funds because it will increase available public trails in West Sacramento allowing for accessible alterities to using cars.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b). Under 23 USC 133. This project would fall under subsection 6) "Recreational trails projects eligible for funding under section 206, pedestrian and bicycle projects in accordance with section 217 (including modifications to comply with accessibility requirements under the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.)), and the safe routes to school program under section 1404 of SAFETEA-LU (23 U.S.C. 402 note).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui
Member of Congress
