The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Community Against Sexual Harm Survivor Health and Recovery Hub Renovation project in fiscal year 2027. The entity to receive funding for this project is the City of Sacramento located at 915 I Street, 5th Floor, Sacramento CA, 95814. The funding would be used to support the renovation of the facility located at 2330 Alhambra Blvd. Funding will be used for construction and infrastructure improvements necessary to convert the building into a space that integrates comprehensive services for survivors of human trafficking, sexual exploitation and gender-based violence. The project is an appropriate use of taxpayer funds because it will strengthen community health infrastructure, reduce long-term public costs associated with emergency care and homelessness, and improve safety and recovery outcomes for survivors.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui
Member of Congress
