The Honorable Rosa DeLauro  
Ranking Member

U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Crate Building Community Center Renovation project in fiscal year 2024. The entity to receive funding for this project is the City of Sacramento, located at 915 I Street, 5th Floor, Sacramento, CA 95814. The funding would be used to convert and reuse an unfinished building into a multi-use community center. The project is an appropriate use of taxpayer funds because it will convert a blighted area into a new space for community development including youth learning opportunities, workforce development and work readiness programs.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui  
Member of Congress
