The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Galt Rural Health Clinic Expansion Project in fiscal year 2027. The entity to receive funding for this project is the Lodi Memorial Hospital Association located at 3835 Freeport Boulevard, Lodi, CA, 95240. The funding will be primarily used for construction of additional exam rooms and necessary clinic infrastructure. The project is an appropriate use of taxpayer funds because the Galt Rural Health Clinic is the only facility in the community providing general primary care services and is designated as a Rural Health Clinic serving an isolated area with limited healthcare access. Given the clinic's critical role in serving an underserved, high-Medi-Cal population in an isolated community, this project represents a direct investment in equitable access to care and improved health outcomes.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Doris Matsui
Member of Congress
