The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Walnut Grove Water Supply Reliability Project in fiscal year 2026. The entity to receive funding for this project is the County of Sacramento, located at 827 7th Street, Sacramento, CA 95814. The funding would be to improve water resources and infrastructure in the small rural community of Walnut Grove. The project will improve arsenic management, allow the water system to increase fire flows, and construct a new steel water storage tank.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui
Member of Congress
