Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Groundwater Well #169 Phase 1 in fiscal year 2024. The entity to receive funding for this project is the City of Sacramento, located at 915 I Street, Sacramento, CA 95814. The funding would be used for The majority of the funding, \$2,700,000, will be used to drill the well. The project is an appropriate use of taxpayer funds because Groundwater Well #169 will increase the city's ability to provide the public with reliable clean drinking water and to store excess water in wet years.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui
