The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mary Gregory Park Rehabilitation project in fiscal year 2027. The entity to receive funding for this project is the City of Sacramento located at 915 I Street, 5th Floor, Sacramento CA, 95814. The funding would be used for project rehabilitation and development of a park in Old Town Sacramento. The project is an appropriate use of taxpayer funds because it delivers long-term community and economic value and creates lasting, publicly accessible resources that educate the community and preserve history. The project also removes blight, enhances public spaces and supports heritage tourism, delivering long-term cultural and educational value for residents and visitors alike.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui
Member of Congress
