The Honorable Rosa DeLauro

U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Sacramento Reservoir Structural Replacement in fiscal year 2027. The entity to receive funding for this project is the City of Sacramento located at 915 I Street, Sacramento, CA 95814. The funding will be primarily used for the rehabilitation of corroded structure in the I-5 & Freeport/Meadowview reservoir. The project is an appropriate use of taxpayer funds because it facilitates compliance with national primary drinking water regulations and addresses risks to public health including non-regulated contaminants.

The project has a federal nexus because the funding provided is for purposes authorized by [Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui  
Member of Congress
