The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sacramento City College Aviation Workforce Development and Expansion Project in fiscal year 2027. The entity to receive funding for this project is Sacramento City College located at 3835 Freeport Boulevard, Sacramento CA, 95822. The funding will be primarily used to purchase and install equipment. The project is an appropriate use of taxpayer funds because it meets the National Objectives for the Community Development Fund/Economic Development Initiative (CDBG) program, as it directly benefits low- and moderate-income (LMI) individuals and communities. Securing funding for this project will expand access to aviation career pathways for low- and moderate-income students by reducing training barriers and strengthening workforce preparation.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1) 5305(a)(2), 5305(a)(4), and/or 5305(a)(5). of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui
Member of Congress
