The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sacramento Stitch Park Riverfront Reconnection Project in fiscal year 2026. The entity to receive funding for this project is the City of Sacramento located at 915 I Street, 5th Floor, Sacramento CA, 95814. The funding would be used for project specific design with a focus on green space development, active transportation mobility, linkages between economic catalyst sites, and riverfront connectivity. The project is an appropriate use of taxpayer funds because it will provide the infrastructure needed to support downtown economic development, provide much-needed green space, and connect downtown Sacramento with the underutilized waterfront and Old Sacramento.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui  
Member of Congress
