The Honorable Rosa DeLauro

House Appropriations Committee  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Elk Grove's Zero Vehicle Municipal Infrastructure project in fiscal year 2024. The entity to receive funding for this project is the City of Elk Grove, located at 8401 Laguna Palms Way, Elk Grove, CA 95758. The funding would be used for capital infrastructure upgrades at City facilities to support the transition to electric vehicles. The project is an appropriate use of taxpayer funds because the installation of electric vehicle to grid infrastructure is a permissible use of the Surface Transportation Block Grant Program funds.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133; 23.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui  
Member of Congress
