Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Harvest Water Project in fiscal year 2024. The entity to receive funding for this project is the Sacramento Regional County Sanitation District, located at 10060 Goethe Road, Sacramento, CA 95827. The funding would be used for The majority of the funding, \$2,700,000, will be used to drill the well. This funding would be used for Harvest Water On-Farm Recycled Water Pipeline Connections. The cost of this phase of the Project is estimated to be \$20 Million. There are approximately 62 landowners that encompass 148 parcels which total 17,000 acres of agricultural lands that would be irrigated with recycled water.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui  
Member of Congress
