The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Real-Time Information Center Enhancements Project in fiscal year 2026. The entity to receive funding for this project is the City of Elk Grove, located at 8401 Laguna Palms Way, Elk Grove, CA 95758. The funding would be for the purchase of upgrade visual display processing system, cameras, evacuation modeling software, and telecommunications equipment.

The project has a Federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui  
Member of Congress
