The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Sacramento River Docks in fiscal year 2024. The entity to receive funding for this project is the City of Sacramento, located at 915 I Street, 5th Floor, Sacramento, CA 95814. The funding would be used for design and planning work for future improvements to the existing Sacramento River Docks. The project is an appropriate use of taxpayer funds because it would enhance the public's ability to use the Sacramento River in a safe and fun manner and address blight on the Old Sacramento Waterfront and provide upgraded and safe access to the Sacramento River for nearby low-income residents.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1), and 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doris Matsui  
Member of Congress
