The Honorable Tom Cole
Ranking Member
Subcommittee on Labor, Health, and
Human Services, and Education
U.S. House Appropriations Committee
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Cole:

As you begin crafting the FY22 LHHS bill, I respectfully request that you give consideration to the following Community Project Funding requests:

1. Provide a funding level of \$1,998,903 for the Mobility and Advanced Manufacturing Career Pathways Program as a community project funding request. The intended recipient is the California Mobility Center located at 6000 J Street, MS 6143, Sacramento, CA 95819.

The project would be a valuable use of taxpayer funds because this program will provide needed job-readiness and technical training for mobility and advanced manufacturing jobs, providing needed opportunities for underserved populations to transition to new high quality careers in mobility and clean tech.

Sincerely,

DORIS MATSUI
Member of Congress
