The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the 24th Street In-Line Combined Sewer System (CSS) Storage Pipe in fiscal year 2022. The entity to receive funding for this project is the City of Sacramento located at 1395 35th Avenue, Sacramento, CA 95822.

The funding would be used to alleviate the wastewater overflow problem in the area around 24th Street and K Street by installing 2,700 linear feet of 108-inch diameter pipe on 24th Street between H and K Streets. This 108-inch pipe will provide storage to the combined system in the area to help prevent outflows and flooding. Additionally, this project will install a weir structure at the intersection of K and 25th Streets.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

DORIS MATSUI
Member of Congress
