The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the creation of the Cybersecurity Education Security Operations Center (eSOC) in fiscal year 2022. The entity to receive funding for this project is California State University, Sacramento, located at 6000 J Street, Sacramento CA 95819.

The funding would be used to establish and construct an eSOC in an existing campus building, as well as to purchase equipment for a classroom of 25 students, which would include control stations with computers, video units, servers, software and wall units.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

DORIS MATSUI
Member of Congress
