The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Power Engineering Lab Equipment in fiscal year 2022. The entity to receive funding for this project is California State University, Sacramento, located at 6000 J Street, Sacramento CA 95819.

The funding would be used for the purchase state-of-the-art equipment to support a new power engineering laboratory in order to meet current teaching and workforce demands. The equipment will help create hands-on learning environments for electric power generation, transmission, distribution, and protection.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

DORIS MATSUI
Member of Congress
